eXcellence 780

A Quilter's Dream! Created with special, easy and time-saving features, the eXcellence 780 is unlocking limitless possibilities for quilters to escape into a world of pure creativity. Quilters now have a full 11 inches of bed space to the right of the needle to store extra fabric from a quilt. In addition, quilters can enjoy exceptionally smooth quilt piecing with Elna's Integrated Adjustable Feeding (I.A.F.); achieve faster performance with a sewing speed of 1,060 SPM and view their work, shadow-free, with the machine's retractable High Light™. Navigation through all of these features has become easier with the EL780's new LCD touchscreen.
